Baton Rouge Gets Software Sneak Peek

BATON ROUGE – Microsoft's state-of-the-art truck loaded down with exciting technical products will be in Baton Rouge Monday Oct. 16 and Tuesday Oct. 17 at the Louisiana Technology Park, 7117 Florida Blvd (Bon Carré) from 10-4 each day.

The Mobile Event Experience is a hands-on interactive environment complete with workstations, a Tablet PC and servers. Momentum has chosen several new software products to be included on the bus including Microsoft's new operating system--Vista. Other software to be featured includes Office 2007, SharePoint 2007 and CRM 3.0.

The event is open to the public. For more information or to register contact the Momentum Events team at (888) 295-4130 or events@teammomentum.com.
